

Templeton Board of Assessors
Meeting Minutes
9-14-11

Present: Dan, Fred, Sue & Luanne. Steve called and was out of town and unable to attend.

Meeting opened at 3:15 p.m. by Dan.

Minutes from 8-31-11 meeting were read. A motion to accept the minutes as read was made by Fred and seconded by Dan. Unanimous decision by the board.

Motor Vehicle Abatements were signed, 2.
Sewer Betterment Payoffs were signed, 2.
Chapter 60 Forestry Lien was signed.

New Business: Sue informed the Board that the LA3 and LA15 have been accepted by the State. The Board approved and signed. The LA4, LA13 and LA13A are now being reviewed.

Discussion took place regarding a request for Statistical Data. How much to do this? It was agreed that at least a minimum 4 hours for Sue's time. Sue will check into the equivalent of what Tradesman cost, and Sue will move forward accordingly, using her best judgement. Sue will also contact her "Yahoo User Group" to see what they are doing with their fees.

The Board reviewed and signed a warrant to reimburse Sue for a course she paid for which was required by IAAO.

Special Town Meeting memo was reviewed. The Board had some concerns regarding the lateness of the meeting, which is tentatively set for November 29, 2011. This will not give the DOR much time, in the middle of December, to approve the tax rate, as all towns will be rushing to get them in at that point.

The Board approved to have a repair company come in to fix the Xerox copier. Dan also requested we check into having the internet option added to it. We will get the pricing from the repair company, if this is an option the copier has.

Old Business: The Board of Selectmen, along with Town Collector, Carolee Eaton, sent a response to the letter which was sent to them on May 18, 2011, regarding an issue with paying off a sewer betterment. The Board reviewed the letter and it is on file for future reference if need be.

A motion was made to adjourn @ 3:35 p.m. by Fred and seconded by Dan. Unanimous by the Board.

Respectfully submitted.
