Subject: Burials

At the COVID-19 team meeting on April 28, 2020 burials were discussed; the following determinations were made:

1. Burials are now re-instated
2. Services must be 10 persons or less; including employees of the town.  
The 10 person limit will be strictly enforced by the DPW Director and persons over the limit will be turned away.
3. Physical distancing of 6' must be maintained
4. Utilization of face coverings is strongly recommended
5. No weekend burials (Saturday and Sunday)

Governor Baker has extended his orders through May 18, 2020; we will continue to monitor and reassess as changes happen.
