.....

Previous cases:

Recovered	139
Total deaths including (BNH)	17

.....

Templeton has twelve active cases as of 11/5/2020, Templeton is in its second week of being in the “red”, after three weeks there’s the possibility that we as a town will be rolled back to Phase III, step I. This state and many other states are seeing an uptick in positive cases due to gatherings not following the protocols, the recommended approach is to continue to be vigilant with face covering, physical distancing and frequent hand washing.

Baldwinville Nursing Home continues to be well, thank you for all your dedication and hard work!

For more information on town specific status, please go to <https://www.mass.gov/info-details/community-level-covid-19-data-reporting> and click on Templeton.

NRSD/NMS has one positive case in Templeton Elementary and NMS/NRHS, both coming off of quarantine and no further positive cases to report at this time. For more information on the schools, please go to <https://www.nrsd.org/>.

As outdoor activities come to a close due to colder temperatures, please remember that you want to continue to physical distancing (including from family members) in order to protect yourself and your loved ones. The Governor has asked that there be no more than ten guests at private indoor gatherings, twenty-five for indoor commercial events and fifty for outdoor commercial events. You are further asked to wear a face covering at all times when in public settings, whether indoors or outdoors, and be at home between the hours of 10 p.m. and 5 a.m.

If you wish to be tested for COVID-19, please go to <https://www.mass.gov/doc/ma-covid-19-testing-sites/download>
