

The following numbers are real time from reports received from the Massachusetts Virtual Epidemiologic Network (MAVEN) and tracked in the Board of Health office.

Active cases:	14
Cases attributed to BNH (Alliance Health)	0
Cases attributed to TDC	0
Cases attributed to Templeton residents	14

.....

Previous cases:

Recovered	484
Total deaths including (BNH)	17

.....

Templeton has fourteen cases as of 02/09/2021; *we had **ZERO** new positive cases added and two come off quarantine/isolation.* The state reports that Templeton has *thirty-eight* positive cases.

Please, if your isolation or quarantine has ended return your calls to the contact tracer so they may close out your case file in MAVEN, the reporting system for the State, thank you!

The State is in Phase 2 of vaccine distribution, for more information on the phases, please go to [COVID-19 Vaccine Distribution Timeline: Phase Overview | Mass.gov](#)

All clinics will be listed at [COVID-19 Vaccine | Mass.gov](#) and will also be the site where you schedule an appointment and fill out your documentation to receive a vaccination at a clinic.

Heywood Hospital, in conjunction with the area Local Boards of Health will be offering multiple clinics at the PACC located in Gardner. The following link will be where you find more information and where you schedule an appointment as the clinics come available:
<https://www.heywood.org/covid-19/covid19-vaccine>.

The State has made available a phone line for those 75 and older who do not have the resources to register for a vaccine electronically. **This line is accessed by calling 211** and is for vaccine clinics posted to the State website. Operators will aid in finding a clinic, scheduling and if currently unavailable, will call back when one is.

February 9, 2021

***We have had many residents successfully schedule appointments for the clinic on Thursday, February 11 @ the PACC; please continue to monitor the Heywood website (see above) for future clinics and thank you for your patience!!!
