Recovered	656
Total deaths including (BNH)	17

.....
Templeton has **two** (both new) active cases as of 7/12/2021; these positive cases will clear isolation next week. If you or someone you know wishes to be vaccinated, please contact your personal care physician, or contact your local pharmacy to see if they are providers.

How do you know if you are a close contact of someone with COVID-19? Go to [Appendices | CDC](#) to find out!

The CDC has recommendations for both vaccinated and unvaccinated individuals, for more information on both please go to [When You've Been Fully Vaccinated | CDC](#) and [COVID-19: Considerations for Wearing Masks | CDC](#).

Summer is here and we're all loving being outdoors, but how do you protect yourself from West Nile virus and Eastern Equine Encephalitis, for more information go to [Prevention | West Nile Virus | CDC](#) and [Prevention | Eastern Equine Encephalitis | CDC](#).

Before participating in fun with the sun, please protect yourself! For more information go to [Sun Protection - The Skin Cancer Foundation](#).

Fore information on "bears in the neighborhood", please go to [Protect your bees and chickens from black bears | Mass.gov](#) and check out the great articles at Mass.gov!
