.....

Templeton has **four** active cases as of 7/6/2021; all of these positive cases will clear isolation this week. If you or someone you know wishes to be vaccinated, please contact your personal care physician or contact your local pharmacy to see if they are providers.

How do you know if you are a close contact of someone with COVID-19? Go to [Appendices | CDC](#) to find out!

The CDC has recommendations for both vaccinated and unvaccinated individuals, for more information on both please go to [When You've Been Fully Vaccinated | CDC](#) and [COVID-19: Considerations for Wearing Masks | CDC](#)

If you're walking your dog in the hot weather, please be aware that pavement is hotter than the air temperature. To find out more go to <https://www.thesprucepets.com/what-you-need-to-know-about-walking-your-dog-on-hot-pavement-4766583#:~:text=Asphalt%20temperatures%20can%20be%20up%20to%2060%20degrees,40%20to%2060%20degrees%20warmer%20than%20air%20temperatures.>

Summer is here and we're all loving being outdoors, but how do you protect yourself from West Nile virus and Eastern Equine Encephalitis, for more information go to [Prevention | West Nile Virus | CDC](#) and [Prevention | Eastern Equine Encephalitis | CDC](#).

Before participating in fun with the sun, please protect yourself! For more information go to [Sun Protection - The Skin Cancer Foundation](#).
