

The following numbers are real time from reports received from the Massachusetts Virtual Epidemiologic Network (MAVEN) and tracked in the Board of Health office.

Active cases:	0
Cases attributed to BNH (Alliance Health)	0
Cases attributed to Templeton residents	0

.....

Previous cases:

Recovered	132
Total deaths including (BNH)	17

.....

All cases have been cleared and recovered from last week.

Please remember to protect yourself and your loved ones; wear a face covering in public and when you cannot maintain a 6' distance from others, wash hands frequently and use hand sanitizer when you can't, stay home if you're ill and contact your physician, clean high touch areas frequently (light switches, door knobs, counter tops, etc...), thank you!!!

Wishing all the schools the best for the new school year!

The State has started breaking down "hot spot" cities and town, the map can be viewed at <https://www.mass.gov/doc/COVID-19-average-daily-incidence-rate-august-11-2020/download>

If you wish to be tested for COVID-19, please go to <https://www.mass.gov/doc/ma-covid-19-testing-sites/download>
