Active cases: 24

Templeton 24

.....  
Previous cases:

Recovered 878

Total deaths including (BNH) 18  
.....

Templeton has **twenty-two** active cases as of 10/25/2021. If you or someone you know wishes to be vaccinated, please contact your personal care physician, or contact your local pharmacy to see if they are providers.

For more information on vaccination data by municipality, please go to [Massachusetts COVID-19 vaccination data and updates | Mass.gov](#)

New recommendations pertaining to face covering went into effect July 30, 2021, for more information on these recommendations, please go to [COVID-19 Mask Requirements | Mass.gov](#). It is strongly recommended that if you are not vaccinated or have compromised health you should be wearing a face covering indoors and outdoors if in a group of people.

How do you know if you are a close contact of someone with COVID-19? Go to [Appendices | CDC](#) to find out!

There have been multiple positive cases of COVID-19 in homes, for information on how to protect your family at home, please go to <https://www.mass.gov/doc/stop-covid-19-flyers-how-to-protect-your-family-85x11-english/download>

The CDC and the FDA have approved Pfizer for use as a booster; individuals who are 65 or older, individuals 18 – 64 and are at risk for severe COVID-19 due to underlying medical conditions and 18-64 and who are at increased risk for COVID-19 due to occupational or institutional settings, are all eligible for a booster. For more information on where an appointment can be scheduled, please go to [www.vaxfinder.mass.gov](http://www.vaxfinder.mass.gov)

**On Thursday, November 18, 2021, from 2:30 p.m. until 6:00 p.m., NRSD will be holding a second vaccine clinic for boosters and first or second doses in the Narragansett Middle School Gym! More information to come and a link to register for the clinic soon!**

October 25, 2021

\*\*\*Remember! Until there has been a hard frost, mosquitoes are still an issue for West Nile and Eastern Equine Encephalitis! If you have standing water anywhere on your property, dump it out or stir it up!
