

The following numbers are real time from reports received from the Massachusetts Virtual Epidemiologic Network (MAVEN) and tracked in the Board of Health office.

Active cases:	18
Cases attributed to BNH (Alliance Health)	1
Cases attributed to Templeton residents	17

.....

Previous cases:

Recovered	200
Total deaths including (BNH)	17

.....

Templeton has eighteen active cases as of 12/11/2020; *although it appears our numbers have stayed the same, we had four new cases and four case came off after proper quarantine/isolation.* According to the state, Templeton is in a state of yellow, there is lag time with reporting due to the volume of testing and positive cases, currently the state is reporting that Templeton has 28 cases.

As I'm sure you have heard or seen, the state has rolled back to Phase 3, Step 1 to try and ease the surge; please go to <https://www.mass.gov/doc/covid-19-order-58/download> or <https://www.mass.gov/info-details/covid-19-updates-and-information#reopening-massachusetts> for more information or Re-opening MA.

For more information on town specific status, please go to <https://www.mass.gov/info-details/community-level-covid-19-data-reporting> and click on Templeton.

If you wish to be tested for COVID-19, please go to <https://www.mass.gov/doc/ma-covid-19-testing-sites/download>.
