.....
Previous cases:

Recovered	523
Total deaths including (BNH)	17

.....

Templeton has three cases as of 03/03/2021; *we had **one** new positive case added and one come off quarantine/isolation.*

As of today, MA is transitioning back into Phase III, Step 2 and looking at March 22, 2021 to transition into Phase IV, Step 1. For more information go to <https://www.mass.gov/news/baker-polito-administration-announces-plans-for-continued-reopening>. *Please continue to wear a face covering, wash hands frequently and maintain six foot distancing!*

The State is in Phase 2 of vaccine distribution, for more information on the phases, please go to [COVID-19 Vaccine Distribution Timeline: Phase Overview | Mass.gov](#). All clinics will be listed at [COVID-19 Vaccine | Mass.gov](#) and will also be the site where you schedule an appointment and fill out your documentation to receive a vaccination at a clinic. **The cities and towns throughout MA have been notified that only mass vaccination sites and large regional sites will receive vaccine and supplies for clinics going forward, at this time the Heywood/LBOH clinic will continue, I highly encourage all eligible persons to continue to try and schedule appointments at this site (see below).**

Heywood Hospital, in conjunction with the area Local Boards of Health will be offering multiple clinics at the PACC located in Gardner. The following link will be where you find more information and where you schedule an appointment as the clinics come available: <https://www.heywood.org/covid-19/covid19-vaccine>. **Gardner has an established a new phone line in operation Monday, Wednesday and Friday, from 10 am until 2 pm for 75 and older individuals who need assistance scheduling an appointment at the Heywood/LBOH clinics; the number is 978-958-9057.**

The State has made available a phone line for those 75 and older who do not have the resources to register for a vaccine electronically. **This line is accessed by calling 211** and is for vaccine clinics posted to the State website. Operators will aid in finding a clinic, scheduling and if unavailable, will call back when one is.
