.....
Templeton has **two** active cases as of 6/14/2021; these are new cases and we had one case clear isolation. The clinics sponsored by Heywood Hospital will be coming to a close on June 24, 2021.

How do you know if you are a close contact of someone with COVID-19? Go to [Appendices | CDC](#) to find out!

The CDC has recommendations for both vaccinated and unvaccinated individuals, for more information on both please go to [When You've Been Fully Vaccinated | CDC](#) and [COVID-19: Considerations for Wearing Masks | CDC](#)

Summer is here and we're all loving being outdoors, but how do you protect yourself from West Nile virus and Eastern Equine Encephalitis, for more information go to [Prevention | West Nile Virus | CDC](#) and [Prevention | Eastern Equine Encephalitis | CDC](#).

Before participating in fun with the sun, please protect yourself! For more information go to [Sun Protection - The Skin Cancer Foundation](#).
