.....

Templeton has **eighteen** active cases as of 11/1/2021. If you or someone you know wishes to be vaccinated, please contact your personal care physician, or contact your local pharmacy to see if they are providers.

The next COVID clinic is being held on November 23, 2021, from 2:30 p.m. until 6:00 p.m. at the Narragansett Middle School. For more information and to sign up for this clinic go to <https://forms.gle/13Z3u9TZDP6JNCJ97>

For more information on vaccination data by municipality, please go to [Massachusetts COVID-19 vaccination data and updates | Mass.gov](#)

Recommendations pertaining to face covering went into effect July 30, 2021, for more information on these recommendations, please go to [COVID-19 Mask Requirements | Mass.gov](#). It is strongly recommended that if you are not vaccinated or have compromised health you should be wearing a face covering indoors and outdoors if in a group of people.

How do you know if you are a close contact of someone with COVID-19? Go to [Appendices | CDC](#) to find out!

Please, if you test positive with an at home test kit, follow-up with your physician and get re-tested.

There have been multiple positive cases of COVID-19 in homes, for information on how to protect your family at home, please go to <https://www.mass.gov/doc/stop-covid-19-flyers-how-to-protect-your-family-85x11-english/download>

The CDC and the FDA have approved all COVID vaccines for use as a boosters; individuals who are 65 or older, individuals 18 – 64 and are at risk for severe COVID-19 due to underlying medical conditions and 18-64 and who are at increased risk for COVID-19 due to occupational or institutional settings, are all eligible for a booster. For more information on where an appointment can be scheduled, please go to www.vaxfinder.mass.gov

The clinic information has changed, see below:
