Message from our Director.....

My Dear Friends,

Well here we are thinking of spring again already. Just doesn't seem possible that time flies by so quickly. Unfortunately, I have something I need to speak with you about. I love that everyone feels comfortable making reservations to ride the van, but when you cancel at the last minute almost every time you reserve, you have now become a hindrance. By doing this you are affecting not only us but your fellow passengers in a negative way. Restrictions may have to be imposed on those of you that take advantage of the system. Please be thoughtful of others.

A great big THANK YOU goes out to Bob Glover of BG Flooring, Inc. for donating the material and labor for the kitchen and the bathroom floor in the food pantry. THANK YOU again Bob you are the BOMB!!

The Massachusetts Circuit Breaker tax credit is for anyone 65 or over that meet the criteria and whose property taxes and half of their water and sewer bills are more than 10% for owners or 25% for renters over their annual gross income. The income criteria for tax year 2016 are below \$55,000 for singles, \$71,000 for heads of household and \$86,000 for married filing jointly. Your primary residence that you own or rent must be a residential property in Massachusetts. This means that renters of public housing or subsidized housing are not eligible. The only asset limit is on your home which cannot have an assessed valuation over \$720,000.

Even if you do not normally file with the state you may still be eligible to receive this tax credit. This could mean that you will receive a check from the Department of Revenue. To download the tax forms you can go to <http://www.mass.gov/dor/individuals/seniors-students-and-military-personnel/seniors-and-retirees/>.

If you have any questions please call the COA.

Friends of the Templeton Elders

Gail Noel, President

Hello Friends,

As we wait around the bend for spring, Friends have been working hard since January. There will be a Murder Mystery coming up very soon. The details are not finalized at the time of printing, but you will enjoy it.

We are also working very hard on the Mac N Cheese Festival. We've run out of MNC the last two years and we cannot run out again. Our goal is to have 50 roasting pans of MNC. It can only be made in a commercial kitchen under Serv-Safe conditions. We're asking our local churches and clubs to help us reach this goal in addition to local restaurants. This way, it will truly be a community event that will help support our Senior Community Center. If you have connections to any of these or to restaurants, let me know - Fifty is a big number, and if we can't make it, we may not be able to have the festival- people won't come back if we run out again. Thank you for your help on this.

We will need lots of help the day of the event - so if you can help run a raffle booth, or serve food, or play an instrument in the parade, please get in touch with me or stop by when we have a "Friends Social Hour" (see below).

Also, if you know of a plumber willing to donate their services for our kitchen, have them call the senior center.

FBOD Meeting - 3/15 & 4/19 @ 6:30PM

Friends Social Hour - 3/3, 3/17, 3/31, 4/14, 4/28 @ 10:00AM
