Marijuana Establishment Request for Interest

Background

On November 8, 2016, Massachusetts voters approved an initiative legalizing the cultivation and sale of recreational marijuana in the Commonwealth. In accordance with M.G.L. c. 94G and its implementing regulations 935 CMR 500, Templeton is required to facilitate the establishment of up to 1 (requested formal opinion) regulated Marijuana Retailers.

In response, the Town has adopted the following:

1. The Town will negotiate community host agreements to provide resources for the oversight of marijuana establishments.
2. The Town is required to limit the number of marijuana retailers to no less than 20% of the number of "off-premises" alcohol licenses allotted to the Town which, under the current allotment of 7, would limit the number of marijuana retailers to 1.
3. The Town is issuing a Request for Interest from prospective marijuana establishment operators.

Additional information on the state licensure process can be found at www.mass-cannabis-control.com

Request for Interest

The Town of Templeton ("Town") invites interested parties to submit an application in response to this Request for Interest ("RFI"). The Town is accepting applications from qualified cannabis operators to be considered for the location of a marijuana establishment in the town. Selected applicants will be invited to negotiate a community host agreement with the Town and move forward in the local licensing process.

This is not a binding Request for Proposals ("RFP"), but an invitation for interested parties to submit a marijuana establishment plan to the Town. The Town will use the RFI submittals to gauge interest in the operation of marijuana establishments. Following analysis of the RFI submittals, the Town reserves the right to engage in negotiations with one or more respondents to this RFI.
