A Master Plan typically serves as your community's plan of action for the next decade in terms of housing, economic development, open space and recreation, services and facilities, historic and cultural resources, land use and transportation.

A brief presentation of the final draft Master Plan will be made at this forum followed by an opportunity to comment. A light dinner will be provided. The draft Master Plan is currently available on line at www.templeton1.org. A hard copy is also available to view at the Planning Board Office and Town Clerk's Office at the Town Hall, 160 Patriots Road, East Templeton and the Boynton Public Library, 27 Boynton Road, Templeton.

We look forward to seeing you!

The Templeton Master Plan is being completed with the assistance of the Montachusett Regional Planning Commission (MRPC) and was funded with both local funds and MRPC's District Local Technical Assistance (DLTA) Program. DLTA is funded by the Commonwealth of Massachusetts.
