You Are Invited

Neighborhood Meeting

Tuesday, September 4<sup>th</sup> at 6pm

Boynton Public Library

This meeting is for those of us who live and work near, or simply have an interest in our common. Specifically, we hope to have a helpful conversation about the large rock that was unearthed a few years back, and now sits beside the 'all veterans' memorial near the Narragansett Historical Society building. There are at least 2 opinions as to what to DO with the rock, and many of you likely share one or the other. While some residents would like to see the rock removed, others feel that it could be fashioned into a memorial to those Templeton residents who lost their lives in the Civil War. We would like to present information regarding the potential cost of each option, and hopefully, come to a consensus to present to the Town officials, and eventually, town meeting.

If you are unable to attend, but have questions or comments you would like to share, please deliver them to me at the library, or by email to: [library@templeton1.org](mailto:library@templeton1.org) by 4pm on the day of the meeting.

I look forward to seeing you,
