Dear Members of the Narragansett Regional School District Community:

The Narragansett Regional School Committee is about to begin a search process to find a new Superintendent of Schools who will assume the leadership of our district at some point in 2016.

We are inviting interested persons to express interest in serving on the Superintendent Search Committee, which will review applications, screen candidates and conduct initial interviews; all leading up to recommendations for "finalists" to come before the School Committee and the community.

The search committee of 13 will include:

- Three (3) Members of the School Committee
- One (1) Member of the District Administrative Team
- Three (3) Educators in the School District
- One (1) UFCW Union Member
- Three (3) Parents
- Two (2) Citizens at Large

If you are interested in being considered for membership on the search committee, please send a note or an e-mail with your name, address, contact information (e-mail, phone, etc.), and a short explanation of your interest in the process to:

Rae-Ann Trifilo, Chair, NRSD School Committee
Narragansett Regional School District

All interested candidates must, as a condition of appointment, agree to attend a Search Committee Orientation Training on Thursday, September 17th at 7:00 p.m. at the district Central Office, and to attend Search Committee meetings as scheduled by the group.

We hope to begin the formal recruiting and search process in September.

Thank you for your interest,

Rae-Ann Trifilo
