

The following numbers are real time from reports received from the Massachusetts Virtual Epidemiologic Network (MAVEN) and tracked in the Board of Health office.

Active cases:	23
Cases attributed to BNH (Alliance Health)	0
Cases attributed to TDC	0
Cases attributed to Templeton residents	23

.....

Previous cases:

Recovered	458
Total deaths including (BNH)	17

.....

Templeton has active twenty-three cases as of 02/02/2021; *we had eleven new positive cases added and twenty-five come off quarantine/isolation.* The state reports that Templeton has sixty-three positive cases.

*Please, if your isolation or quarantine has ended return your calls to the contact tracer so they may close out your case file in MAVEN, the reporting system for the State, thank you!*

The State is still in Phase 1 of vaccine distribution and Phase 2 is not scheduled to commence until sometime in February. For more information on the phases, please go to [COVID-19 Vaccine Distribution Timeline: Phase Overview | Mass.gov](#)

All clinics will be listed at [COVID-19 Vaccine | Mass.gov](#) and will also be the site where you schedule an appointment and fill out your documentation to receive a vaccination at a clinic. There has been lots of information on the news, but I can assure you that Phase 2 has not yet commenced.

February 1, 2021 – *this report covers January 29, 30, 31 and February 1.*
