June 6, 2023

Dear Mr. Lamontagne,

At its meeting on May 31, 2023, the Phillipston Board of Selectmen voted not to enter into a new agreement with the Town of Templeton for dispatch services. Given that FY24 budgets are set, and not to cause undue financial hardship on Templeton, Phillipston will follow through with the automatic one-year extension for dispatch services through FY24, with our dispatch relationship ending June 30, 2024.

The State 911 Department has been notified of the Board's decision; we will be working with them as we transition away from Templeton over the coming fiscal year.

Thank you for the service you have provided over the years. I have heard nothing but praise for the TRECC dispatchers; please extend our sincere thanks to them.

Sincerely,

Melanie Jackson
Administrative Assistant
Board of Selectmen

CC: Police Chief Michael Bennett
