To Residents of Templeton,

I write this regarding the tragedy that took place on May 24th in Uvalde, Texas. My thoughts and prayers go out to everyone impacted by this unspeakable tragic event that took place at an Elementary School in Uvalde, Texas. As a parent, the grief that they must be feeling is inconceivable.

Dr. Casavant of the Narragansett Regional School District reached out to me yesterday and we plan on meeting today with the Templeton Police Chief. In coordination with the Narragansett Regional School District, the Templeton Police Department and the Town of Templeton, we will be exploring all options to further protect our student population. Public safety is paramount.

Respectfully,

Adam D. Lamontagne
Town Administrator
