

Residents of Templeton,

As the world is following the events unfolding surrounding Hurricane Harvey; A small group of men from our community, are preparing for a Humanitarian Mission to help Texas' victims in need. On September 7, 2017, Templeton's volunteers are scheduled to drive their personal 40-foot trailer from Massachusetts to the effected Texas communities. They are hoping to fill their 40-foot trailer! This is where we, as a community, come together to help our selfless volunteers have a safe, quick, full, and easy trip. With the help of Templeton MA residents' donations: Provide basic necessities to alleviate suffering, improve the welfare, and instill hope, to the people and animals that've been affected by Hurricane Harvey.
