Templeton Community Television staff is only available on a limited basis to serve as crew on member productions and are never available for break down. Volunteers must begin striking their set at least an hour before closing time and completely clean up after themselves. Community Bulletin Board

The Community Bulletin Board (CBB) is a service maintained by Templeton Community Television for publicizing noncommercial, non-partisan notices, activities, and events of interest and / or benefit to residents of Templeton. It is helpful to submit material for CCB at least 2 weeks in advance of the event or activity.
Channel Time

You may request to cablecast an independently produced program on the access channels. All programs submitted for cablecast shall be accompanied by a completed Request for Cablecast form that contains a full disclosure of the program’s contents. Any presenter /producer wishing to have a program cablecast must submit a completed program and a Request for Cablecast form at least two weeks in advance; this does not apply to live productions. Presenters / producers must submit three new consecutive programs before they receive a regular time slot in the program schedule. In order to maintain a regular time slot, a presenter / producer must submit a new Request for Cablecast form every thirteen weeks and commit to presenting / producing the set number of programs as determined by the presenter / producer on the Request for Cablecast form. Failure to submit a completed Request for Cablecast form and / or present /produce the requested programming as agreed upon by the presenter / producer, may result in loss of regular time slot. The following considerations will determine the scheduling of channel time:

• Where the program is/was produced.
• Timeliness of program.
• Regularity of programs.
• Repeat, live or first run program.
• Date of receipt of Request for Cablecast form.
• Availability of channel time.

Templeton Community Television reserves the right to require an appropriate disclaimer on any program.

Templeton Community Television reserves the right to run potentially offensive programming after 10:00 PM and before 6:00 AM. Failure to notify Templeton Community Television of potentially offensive material prior to a program or episode airing may result in loss of privileges.

If Templeton Community Television makes a good-faith determination that the subject material in a program may offend some viewer and/or may not be appropriate for children, Templeton Community Television may require that the following announcement be added to the beginning of the program: “The following program may contain sensitive material.
