3.) QUESTIONS:

Q. Was pre bid meeting mandatory? I'm just checking – at which building will the pre-bid meeting on March 15th be held first?

A. No, the Site Inspection Meeting was not mandatory, however we did state in the Request for Written Quotations “The inspection will allow prospective contractors to familiarize themselves with all conditions that may affect the performance and cost of the contract and take measurements of the office areas as needed.”

Q. We have missed this meeting. Can we take part in this Opportunity?

A. You certainly are welcome to submit a Written Quotation according to the specifications in the Request for Written Quotations, however, as stated in the specifications, “NOTE: Failure to sign up & show up for the Site Inspection Meeting and/or become familiarized with all conditions shall not constitute a basis for subsequent contract change orders.”

Q. Can you advise Minimum order quantity of Sneeze guards required?

A. I cannot. There are five offices and each would need specific measurements taken and has specific needs as far as size and shape of the glass as specified in our Scope of Work.
