ADDENDUM #1 – September 22, 2021

Please be Sure to Acknowledge This on Your Submission

1.) THERE IS NO CHANGE IN THE SUBMISSION DUE DATE!

Supplemental Addendums – if any – will be posted on-line no later than the date identified in the IFB.

2.) CLARIFICATION / ADDITIONAL REQUIREMENTS HIGHLIGHTED:

N/A

3.) QUESTIONS:

Q. Where is the desired screening to be installed: on one side or on three sides?

A. Screening plantings are to be installed at just the "easement boundary" as specified. In other words, at the North boundary only.

Q. What plant size is expected for the screening plantings?

A. The Screening Plantings shall be 2.5 Quart Emerald Green Arborvitae (Thuja) Live Evergreen Shrub, of a height between 12 and 16 inches. Shrubs shall be spaced at 3 feet on center, in a straight line running 3 feet in from and parallel to the easement boundary line. Plant shall be bedded over 3 inches of mulch at the bottom of the planting pit before backfilling with soil.

Q. Are the park furnishings of benches and picnic tables to be supplied by the Town, or is the contractor to supply and install?

A. Park furnishings are by the General Contractor. The town may receive a donation of a couple benches but that has not happened up to this point. The *Materials to be furnished and installed by the Town* are listed in the paragraph of that name in the Drawing Notes on drawing A-2.
